

Group Financial Controller

Frist:
14-09-2025

Kontaktperson:
Henrik Korsholm

Jobområde:
Finans

Lokation:
Hørkær, 2730, Herlev

Are you a self-driven Group Finance professional with an analytical mindset motivated by creating development and progress? Do you want to be part of an organization that is continuously growing and vital to the Group Finance controlling team?

About us

ECIT is one of the Nordic region's largest Finance and IT outsourcing partners, with over 3,000 employees across 11 countries. Our expertise, size, and Nordic roots provide a solid foundation for helping businesses manage and optimize the most essential aspects of their operations in finance, IT, and business solutions.

What sets ECIT apart from similar companies is our history and our commitment to the local communities in which we operate. ECIT is driven by entrepreneurs. Our local ownership and ties to regional markets form the core of ECIT, and we are proud of that. We have dedicated leaders and employees who work daily to deliver the highest value to our customers.

We focus on the development of our employees, offering excellent opportunities to achieve their career goals with us. Since its founding in 2013, ECIT has grown into a group with offices in 11 countries across Northern Europe. ECIT remains a young company with ambitious growth plans, and as one of our employees, you'll have the opportunity to help shape our future growth.

ECIT provides services in three main areas:

- Finance, including accounting, payroll, and advisory services
- IT, focusing on outsourcing, consultancy, hosting, and security
- Tech/software solutions for finance, payroll, and office support

Every business deals with IT and finance in one way or another, and by combining IT and finance, we make it easier for our customers to run forward-thinking companies.

About the role

ECIT seeks a skilled and analytically strong Group Financial Controller to join our Group Controlling team. This role is particularly suited for someone passionate about process optimization, automation, and driving change through IT solutions in finance. You will be a central figure in a dynamic, cross-border Group Finance team of more than 15 experienced finance professionals across Denmark, Norway, and Lithuania.

As part of the Finance Group, you will deliver financial reporting and control to various management functions. Next to that, you will act as the main driver of automation initiatives within the finance function. You will take ownership of improving and streamlining our financial reporting processes by leveraging tools such as Power BI, Alteryx, or similar platforms. Your input will be essential in shaping the future of how ECIT works with data, reporting, and decision-making support.

Key responsibilities include:

- Together with the rest of the team, prepare monthly, quarterly, and annual reports
- Leading the automation and digitalization of financial processes and reporting tools
- Driving optimization of the monthly, quarterly, and annual closing process
- Conducting various analyses in the monthly closing process (e.g., cash flow, growth, margins, and IFRS 16 leasing)
- Collaborating closely with business units and shared service centers across the Nordics and Baltics

The position is based at ECIT's Danish headquarters in Herlev and reports to Henrik Korsholm, Head of Controlling & Reporting.

About you

We are looking for a self-driven finance professional who thrives in a performance-oriented environment and is motivated by making a lasting impact through better systems and smarter workflows. You are structured, detail-oriented, and experienced in handling complex group structures, but more importantly, you are eager to challenge the status quo and modernize finance. The perfect candidate has some experience in group finance controlling (working in a group finance function) and some experience working with automation/digitalization to support the financial reporting structure.

We want you to identify with our values: Courage, Open Communication, Entrepreneurship, and Integrity, so you can contribute to maintaining the group's vision.

Key qualifications and skills:

- Financial background – some experience in financial controlling, analysis, and reporting at the group level
- Proven track record of working with or implementing automation tools (e.g., Power BI, VBA, SQL, Alteryx, or similar)
- Takes ownership of tasks and ensures deadlines are met

- A team player who collaborates effectively and supports colleagues
- Ability to act as a sparring partner for various stakeholders
- Strong analytical skills with a structured approach
- Proficient in Danish and English, both written and spoken
- Super-user in Excel and the Microsoft Office suite

We offer:

- A dynamic and professional working environment with engaged coworkers
- The possibility to expand your professional competences based on interest and experience
- Exciting possibilities for development in a solid organization in growth
- Flexible working hours and the possibility of working from home
- Travel activity for our locations in Northern Europe (HQ in Oslo) and SSC in Lithuania
- Several social activities in both Denmark and abroad
- Competitive salary package equivalent to experience, competencies, etc.

Starting date

Preferably 1 October.

Application and contact

Please send your application as soon as possible via the link below. If you have any questions about the position, please contact Henrik Korsholm, Head of Group Controlling & Reporting, at hkorsholm@ecit.com. Please note that we do not accept applications via email.

We are looking forward to hearing from you!
